Paula Warren, Tim Riach

#### **1. Declarations of interest**

None to declare for the vote for communication scrutiny recommendations

#### **2. Action(s) from last meeting**

- Cavendish & Minden external staircases – Previous meeting raised concerns regarding communication and missed appointments. Tony reported receiving a letter confirming an investigation date, but no officer attended. Concerns remain in the community as residents are unsure what works are happening and whether staircases are being removed.

#### **Action: David White and Deborah Fenton to follow up.**

- Results from the Communication scrutiny project were shared with the Board.

#### **3. Council Housing Assurance Report (15 mins)**

David White presented the Q3 performance report, aligned to the four consumer standards and due for SLT and Cabinet review.

#### **Key Performance Updates**

- **Repairs**
  - 100% of emergency repairs completed on time.
  - Routine repairs remain on target (20 working days).

- Urgent repairs below target, but assurance provided they will meet target by end of Q4.
- **Rent Collection**
  - Expected to reach 100% by end of March.
- **Complaints**
  - Stage 1: performance above the 85% target.
  - Stage 2: 100% completed within 20 days.
- **Compliance**
  - Reporting 100% gas compliance for the first time, though this fluctuates due to access issues.
  - Small number of electrical checks outstanding.
- **Damp and Mould / Awaab's Law**
  - New legislation requires strict timeframes for HHSRS issues.
  - Emergency hazards not completed within 24 hours were due to tenant choice, which is permitted under the legislation.
  - Commitment to transparent reporting.

#### Questions & Discussion

- **Cllr Winch** asked whether compliance performance would return to target once reporting errors were corrected.  
**David White:** Yes, provided tenant requested delays are correctly categorised. -requested delays are correctly categorised.
- **Tony Cole** raised concerns about a decant at Cavendish Way where tenants reportedly were not supported with food during temporary accommodation.  
**David White:** The new Decant Policy is being drafted and will come to Tenant Board for feedback. Tenants should be supported with costs such as food; the tenant is encouraged to raise a complaint if dissatisfied.

#### Stock Condition & Decency

- Non-decent homes reducing due to the Asset Improvement Programme. -decent homes reducing due to the Asset Improvement Programme.
- Wall insulation and cladding remain at 0% as contractors are being onboarded.
- Many non-decent homes are due to thermal comfort issues. -decent homes are due to thermal comfort issues.
- Prioritisation will be given to households with vulnerabilities.
- Forecast:
  - Q1 next financial year – 10.5% non-decent-decent
  - End of next financial year – approx. 3.6% Babergh / 4.9% Mid Suffolk
- Remaining 19% of homes will undergo stock condition surveys.

#### Transparency, Influence & Accountability Standard

- TSMs (Tenant Satisfaction Measures) increasing in Q3.
- After year-end (including Q4), targets for 26/27 will be set in collaboration with Tenant Board.

- Stage 1 complaint acknowledgements were flagged as “red” due to system errors, now being addressed.

#### **Lettings Process**

- Satisfaction with the letting process and property condition is below target in both districts.
- Issues linked to void contractor performance and internal staffing pressures.
- All properties are now **post inspected before being released for letting. Inspected before being released for letting-inspected before being released for letting**
- No properties will be let with outstanding works going forward.

#### **Question:**

- **Clr Winch** requested confirmation of when post inspections began. -inspections began.

**Action: David to provide date.**

#### **Antisocial Behaviour (ASB) Satisfaction Social Behaviour (ASB) Satisfaction-Social Behaviour (ASB) Satisfaction**

- Only surveyed when a case closes.
- In Q3, only 2 responses, both very unsatisfied.
- Expected improvements following actions from Scrutiny recommendations.
- A new Neighbourhood & Housing Lead with community safety experience has joined the service.

#### **Repairs Satisfaction**

- Continues to exceed 90%, reflecting intensive focus on repairs improvement work.

#### **Scrutiny Action Plans**

- ASB: 59% completion
- Complaints: 56% completion- Kerry Lecomber confirmed the score has since increased to 71% and will show in next quarter.
- Communications Scrutiny action plan will begin once recommendations are finalised.

#### **Block Inspections**

- Target: 100% quarterly inspections.
- Seven blocks were missed in December due to sickness/annual leave but completed early January.

#### **4. Communication Scrutiny**

- 20 participants reviewed four communication types and their own experiences.
- A thematic analysis and summary report were shared.
- Between 24th–25<sup>th</sup> January, Board members ranked 17 recommendations; 5 of 7 members completed the exercise.

#### **Discussion:**

- Liz Perryman raised concerns that sharing email chains for repairs could compromise tenant privacy.

#### **Outcome:**

**All present voted all 17 of the ranked recommendations should be prioritised by relevant teams.**

**Action: Tenant Board to decide who will present the report to Overview & Scrutiny in April.**

## **5. Housing Revenue Account Discussion**

- Reviewed proposals published for 20th & 22nd January Council meetings.
- Differences in service charge increases explained:
  - Babergh previously increased annually
  - Mid Suffolk did not, so charges are lower and moving toward cost recovery
- Only communal areas are affected; in most cases, service charges are fully covered by benefits.

### **Voids Discussion**

Deborah Fenton provided an update:

- Current contractor covers both districts; this is proving unmanageable.
- Other contractors now receiving void work.
- Rapid (voids contractor) is on an improvement notice; contract may be rescinded.
- Post inspections now applied to every void.-inspections now applied to every void.
- Lettable Standard previously agreed but not consistently applied.
- Rechargeable Repairs Policy exists but void processes need improvement.
- Issues where unsuitable lettings occurred due to previous processes; now mitigated through Housing Management reviewing suitability before allocations.

### **Questions:**

- Liz Perryman queried cleaning standards in voids.  
Deborah Fenton: Hazardous properties receive specialist cleaning; expected to meet standards before re-let.
- Liz also asked about recharging tenants for damage.  
Deborah Fenton: Yes, under rechargeable repairs policy, but processes need strengthening.

### **Additional Notes:**

- Jeni Smithies confirmed void costs and timelines are improving.
- Cllr Winch noted significant stock investment planned (approx. £45m in Mid Suffolk).

## **6. Housing Staffing Update**

David White gave an update on staffing within the housing team
