\*As defined by the Uses Classes order 1987 (as amended).

\*\* 'Specialist older persons housing' is used to describe developments that comprise self-contained homes with design features and support services available to enable self-care and independent living. Sometimes also known as sheltered/retirement housing and extra care accommodation.

\*\*\*where no particular form of retail use is conditioned, the LPA will assume that the 'intended use' for the CIL charging purposes may encompass "wholly or mainly" convenience retail as an open-ended permission would allow this.
