Tax-Free Income

Your spare room could become your new favourite investment! Earn up to £7,500 tax-free income per year (subject to individual circumstances).

Companionship

Gain more than just a lodger – gain friendship and extra security. SoloConnect hosts tell us it's like having a little home cheer squad!

Help Around the House

Hosting isn't just about a room – it's about sharing your home and your life. Your lodger can help with small household tasks, making everyday life a little easier.
