

NOTICE OF KEY DECISION

THE LOCAL AUTHORITIES (EXECUTIVE ARRANGEMENTS) (MEETINGS AND ACCESS TO INFORMATION) (ENGLAND) REGULATIONS 2012

Notice of Key Decisions – General Exception

Regulation 9 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 requires 28 clear days notice to be published of the Council's intention to make key decisions.

Regulation 10 (1) allows, that if it is impracticable for the Council to give the required 28 days notice, the decision may still be made if the Chairman of the Overview & Scrutiny Committee has been given notice in writing of the matter about which the decision is to be made, a copy of the notice is made available for inspection by the public and is published on the Council's website, and at least 5 clear days have elapsed following the day on which the notice is made available for inspection by the public.

Notice is hereby given under Regulation 10 (3) of the Council's intention to make a key decision at its Cabinet meeting on 7 November 2023, regarding:

Building Services Transformation and Improvement

The reason publication in accordance with Regulation 9 was impracticable in this case was due to the necessity to urgently release resources to:

- expedite completion of outstanding repair work, made even more pressing by winter approaching; and
- enable the next phase of the Building Services Transformation and Improvement Programme to progress quickly, including the commissioning of new systems, contracts and additional staff capacity, all of which have significant lead in times.
