

Mid Suffolk Council scheduled grass cutting for the weeks commencing Monday 22 June 2026 & Monday 29 June 2026

While we aim to be as accurate as possible in forecasting and delivering our weekly grass cutting programme, please be aware that this is subject to unavoidable circumstances beyond our control including the prevailing weather and ground conditions, machinery breakdowns, staff sickness and holidays.

Grass Cutting Update

Please note that, due to the recent hot weather conditions, grass cutting operations were not completed as scheduled last week. As a result, the programme for this week will mirror last week's works to ensure all outstanding areas are attended to.
