Needham Market Neighbourhood Area Designation Application Responses

September 2013

In order to prepare a neighbourhood plan, the first formal stage is to designate the Neighbourhood Area (see Neighbourhood Planning (General) Regulations 2012). The 'qualifying body' (the town or parish council) has to apply to Mid Suffolk District Council to designate a neighbourhood area, stating its reasons and submit a map of the proposed area.

Mid Suffolk District Council received an application from Needham Market Town Council to designate a Neighbourhood Area to enable the production of a Neighbourhood Plan. A statutory consultation as set out in the Neighbourhood Planning (General) Regulations 2012 sections 5 – 8, was undertaken by Mid Suffolk District Council from 4th July until 5pm on 27th September 2013.

The following comments were received:

Date	Consultee Name	Consultee Organisation	Summary of Main issues	Action required?
15/08/13	James Cutting	Suffolk County Council	The county council has no objection to the area as proposed. However, as the plan is developed, appropriate consideration will need to be given to the impacts of proposals on other parishes in the locality.	None.
13/08/13	John Field Chair Baylham Parish Meeting	Baylham Parish Meeting	The area chosen by Needham Market for their Neighbourhood Plan, the area within their parish boundary, appears rational and does not encroach upon Baylham in any way. Baylham Parish would however wish to comment at the appropriate time on any plans that Needham Market may produce that impact upon Baylham. Substantial residential or commercial development could affect visual amenity within our boundary or from frequently used footpaths or traffic densities on local roads, particularly the B1113.	None at this stage.
01/08/13	Alastair Welch	Natural England	Natural England is a statutory consultee in neighbourhood planning. We must be consulted on draft Neighbourhood Development Plans where the Town/Parish Council or Neighbourhood Forum considers our interests would be affected by the proposals. Provided general advice on a joint Neighbourhood Planning advice, consider impacts on protected species and looking at opportunities for enhancing the natural environment.	Forwarded the general advice to the Town Council.
30/07/13	Sue Bull	Anglian Water	We have no comments to make at this time, however if the Neighbourhood Plan was to proceed we would welcome the opportunity to comment on the later stages on any aspects relevant to Anglian Water.	None.

Please describe below why you considered the extent of the neighbourhood area is appropriate:*

The town of Needham Market has a traditional and annually marked boundary, celebrated in a "beating the bounds" ceremony. The Boundary Review of 2009 reassessed this boundary. It defines the plan area which contains the Conservation Area, the Shopping frontages and the towns' boundary as defined in the District Council's Core Strategy. This core area also includes the Visually Important Open Spaces (VIOS) that provide protection for the amenity of the town's play and park lands. It will be appropriate to consider the possibility of development and any specific proposals for development within or abutting the line identified.

A focussed approach within the identified boundary will allow careful examination of the town's economic, transport, environmental and social issues while providing a clear understanding of the relationship with the surrounding villages,. The surrounding populations are closely related to the working and well being of the town of Needham Market and will become the subject of discussion through cross boundary discussion. The Town Council wishes to maintain the focus on its neighbourhood plan area but does not want this to stifle discussion between the Parishes whose life and activity is so closely shared with Needham Market.
