

PORT ONE LEGACY BIODIVERSITY ENHANCEMENT FUND (POLBEF)

IMPACT REPORT YEAR 1

THE FUND

This funding has been secured as part of the development of the Port One Logistics Park in Great Blakenham.

The fund is available to community groups within Barham, Bramford, Claydon, Great Blakenham and Little Blakenham towards projects enhancing biodiversity, wildlife habitats or community gardens.

Up to £3,750 can be applied for, with up to 100% of project costs covered. The Fund opens for applications twice per financial year in April and September.
