

Working Together

Progress Power Community Benefit Fund

Funding available to support local communities and organisations operating within the parishes of Eye, Mellis, Thrandeston, Yaxley and Brome & Oakley

Projects awarded funding in 2024/25 - Round 1

4 applications were received, totalling £51,402.35. Each application was assessed by two Officers using a scoring matrix, providing an aggregate score out of 38. The applications were then considered by the Grant Panel who awarded funding as below. One application was not funded.

| Organisation | Project | Amount |
|--------------------------------------|---|-------------------|
| Thrandeston Parochial Church Council | St Margaret of Antioch Thrandeston Churchyard Project: to replace churchyard gates and install 2 new seating benches in the churchyard | £ 7,344.95 |
| Families Together Suffolk | Eye "Learn & Grow" Family Group - 3-year funding to support running costs of free weekly family support group for children aged 0 - 5, offering activities to promote child development, and a supportive space for local families to develop friendships and access support. | £12,078.50 |
| Game Anglia CIC | To deliver "ELEVATE EYE" programme, a community-based games design programme for young people aged 16+ (targeting individuals who are NEET, suffering poor mental health, facing barriers to access education, employment or social support) | £ 9,900.40 |
| Total Awarded | 3 Projects | £29,323.85 |
