

Warmer Homes, Stronger Communities

REACH is Mid Suffolk District Council's new service supporting residents and communities to make homes and buildings warmer, more energy-efficient, and cheaper to run. We provide independent, trusted advice, guidance, and signposting – tailored to you.

How we can help:

Free, easy-to-understand energy advice

- Understand your energy use
- Simple ways to reduce bills
- Tips to stay warm and comfortable

Guidance on home improvements (retrofit)

- Insulation
- Draught-proofing and ventilation
- Heating upgrades
- Renewable energy
- Advice for rural homes and local challenges

Support with funding and signposting

- Information on grants and schemes
- Help understanding what you may be eligible for and referrals onto services

Get in touch with us to find out more:

REACH.team@midsuffolk.gov.uk

0300 123 4000 then option 7

Look out for REACH at events across Mid Suffolk – we'll be visiting communities throughout the year.

Make your home a little cosier - Apply now for FREE installation

Mid Suffolk Cosy Homes Plus

A council-funded scheme helping eligible households improve home energy efficiency through free assessments and funded upgrades such as insulation and solar energy.

Benefits:

- Warmer, more comfortable homes
- Lower energy bills
- Reduced environmental impact

Available measures (subject to a free Retrofit Assessment):

- Loft insulation
- Cavity wall insulation
- Mechanical ventilation
- Solar PV panels

Eligibility

You may qualify if you:

- Have a household income below £80,000 and savings under £40,000
- Live in a property with an EPC rating of D or below
- Are in Council Tax bands A–E
- Are a Mid Suffolk resident who is a homeowner, private tenant, or landlord (with fewer than 5 properties in the district)
