**Application ref: STRADBROKE NEIGHBOURHOOD PLAN - SEA Scoping Draft Report.**  
**Our ref: 241780**

Dear Odile

Thank you for consulting Natural England on the above. Natural England has no comments to make on this document. The lack of comment from Natural England does not imply that there are no impacts on the natural environment, but only that the screening has identified that the Neighbourhood Plan is not likely to result in significant impacts on statutory designated nature conservation sites or landscapes.

Yours sincerely

Alison
